Hendricks named a 2023 Pros to Know Award winner

Daniela Hendricks is Chief Compliance & Process Officer for the global freight & logistics company in North America

Wood Dale, IL — April 5, 2023— *Supply & Demand Chain Executive*, the only publication covering the entire global supply chain, named Daniela Hendricks, Chief Compliance & Process Officer of Gebrüder Weiss USA, as a winner of the 2023 Pros to Know award. The award recognizes outstanding executives whose accomplishments and contributions offer a roadmap for other supply chain leaders.

"The Pros to Know winners are always dedicated, talented, and highly regarded supply chain professionals doing important work in the industry. This year's winners also demonstrated resilience, fortitude, and innovation in their efforts to rebuild and reinvent the supply chain of the future," says Marina Mayer, Editor-in-Chief of *Supply & Demand Chain Executive* and *Food Logistics*. "We received a record-breaking 400 nominations this year, which not only confirms the tremendous contributions each professional has made, it also shows the continued appreciation that leadership teams, peers, and colleagues have for these professionals."

"I'm so honored to be selected as a Pro to Know, and by such a well-respected publication in our industry on top of it," said Hendricks. "The supply chain has faced tremendous challenges in the past few years, and I'm proud to be part of the industry's collective efforts to move past obstacles and develop new solutions. In my nearly 30 years with Gebrüder Weiss, I've always had internal support to create and lead initiatives that strengthen the global supply chain to benefit employees and customers alike.
